

HEAR THE SOUND MUSIC PRODUCTION PRESENTS

BLUEGRASS ROCKS!

*** Rock your 2018 Summer Reading Program with an interactive family musical show for all ages by **Charles Pettee**.

(*"One of our state's musical treasures."* News and Observer) ***

"His mandolin, guitar, harmonica, banjo and voice echoed history as we followed him on a journey to the past. What a magical morning of listening and learning and it is obvious that he loves to share his music as much as we enjoyed hearing it."

(Rebecca Dellinger, Children's Services, Gunn Memorial Public Library)

*Clap along to the
rockin' beat!*

*Move to the music!
Sing along!*

Mr. Pettee is a Teaching Artist with NC and SC Arts Councils, UAC, ASC, and CAPS Artist Roster

"Of the numerous programs presented at our libraries annually, the amazing Bluegrass performance of musician Charles Pettee stands out as one of the all time best."

(Diane Williams, Mgr. Children's Services York County Library)
